How do I plan my journey from outside Central Auckland?

If your journey does not begin in Central Auckland please refer to the AT Journey Planner at www.at.govt.nz/journey-planner.

Travelling with sports equipment

Sports equipment can be taken on public transport. However, if a bus is full drivers have the right to ask you to wait for the next bus if they think you and your equipment cannot be safely transported on the bus.

Parking

Parking is available at AUT Millennium on a first come, first served basis. However due to limited on-venue parking we recommend using public transport or carpooling.

Limited on-street parking is also available. Before parking on-street please check the signage and ensure you do not block any access ways, as parking penalties may occur.

Important Information

Please allow plenty of time to get to your venue if you are using public transport or driving. Failing to turn up to your match/ event on time could result in disqualification. Please note a transfer could add additional time to your journey - plan accordingly. If you are using an AT HOP card please remember to tag on and tag off on buses and trains. Failure to tag off will result in a penalty fare.

For any queries on transport please refer to the [Transport FAQ's](#) or visit the Transport Information Desk at the Entertainment Hub at Queens Wharf from 16 – 30 April.
